Eileen Rice Blackhawk Bloomers Garden Club

Eileen has been a member of the Blackhawk Bloomers Garden Club since 2006 and just recently completed her second term as President. She, with the help of her son Patrick, manage the Blackhawk Bloomer's website, along with publishing the club's newsletter. Eileen established the 'Dig in the Dirt Program' at the Tassajara Hills Elementary School, where she is a volunteer teacher's aid.

The 'Dig in the Dirt' program is a regular gathering of Blackhawk Bloomers club members to maintain the school's courtyard beds and to plant edibles. Eileen is an "Old School" gardener who likes to thin and divide plants, along with harvesting and saving seeds. She is the Blackhawk Bloomers resident horticulturalist when it comes to plant identification, insects, and herbs. She received \$100 which she plans to donate to the Bloomer Dig in the Dirt project and the club will receive \$100. Eileen will be presented her award at our September meeting.
